

CM all praise for SRB for collecting record Rs21.3bn in December 2023

Sindh Caretaker Chief Minister Justice (retd) Maqbool Baqar has appreciated that the Sindh Revenue Board (SRB) during December 2023 for a record revenue collection of Rs21.3 billion as compared to Rs17.5 billion collected during the corresponding period (December 2022), which shows a growth of 22 per cent.

In a statement issued from the CM House on Monday, Baqar said that during December 2023, the Sindh Revenue Board made a record revenue collection of Rs21.3 billion as compared to Rs17.5 billion collected during December 2022, thus registering a growth of 22 per cent.

During the first six months of the financial year 2023-24, the SRB collected Rs108.6 billion as compared to the collection of Rs80.2 billion during the first six months of the last financial year 2022-23, posting revenue growth of 35 per cent, and thus showcasing its commitment to fiscal excellence even in challenging economic times.

The success in achieving the phenomenal revenue growth in the period up to December 2023 is attributed to the continued trust and cooperation extended by the taxpayers and the relentless efforts of the SRB officers and staff in revenue collection, the CM said.

The SRB is focused on achieving the assigned revenue target of Rs235 billion for the financial year 2023-24, despite all the adverse factors such as low economic growth, reduced economic activity and a stagnant tax base.
